

Creator Onboarding and Recruitment

Build a better network and ensure an exceptional experience for creators with our branded, easy-to-launch onboarding destination

Offer a Premium Partnership Experience

Centralize all partnership and campaign info in one branded, secure environment.

- Provides a seamless experience for creators who join your network
- Reduces risks associated with manual intake and storage
- All creators need to do is login

Build a Stronger Network

Provide a consumer-grade sign-up experience that collects complete creator information from the start.

- Streamline onboarding processes by allowing creators to self declare demographic details
- Creators can easily authenticate and connect their social accounts upon sign-up

Features:

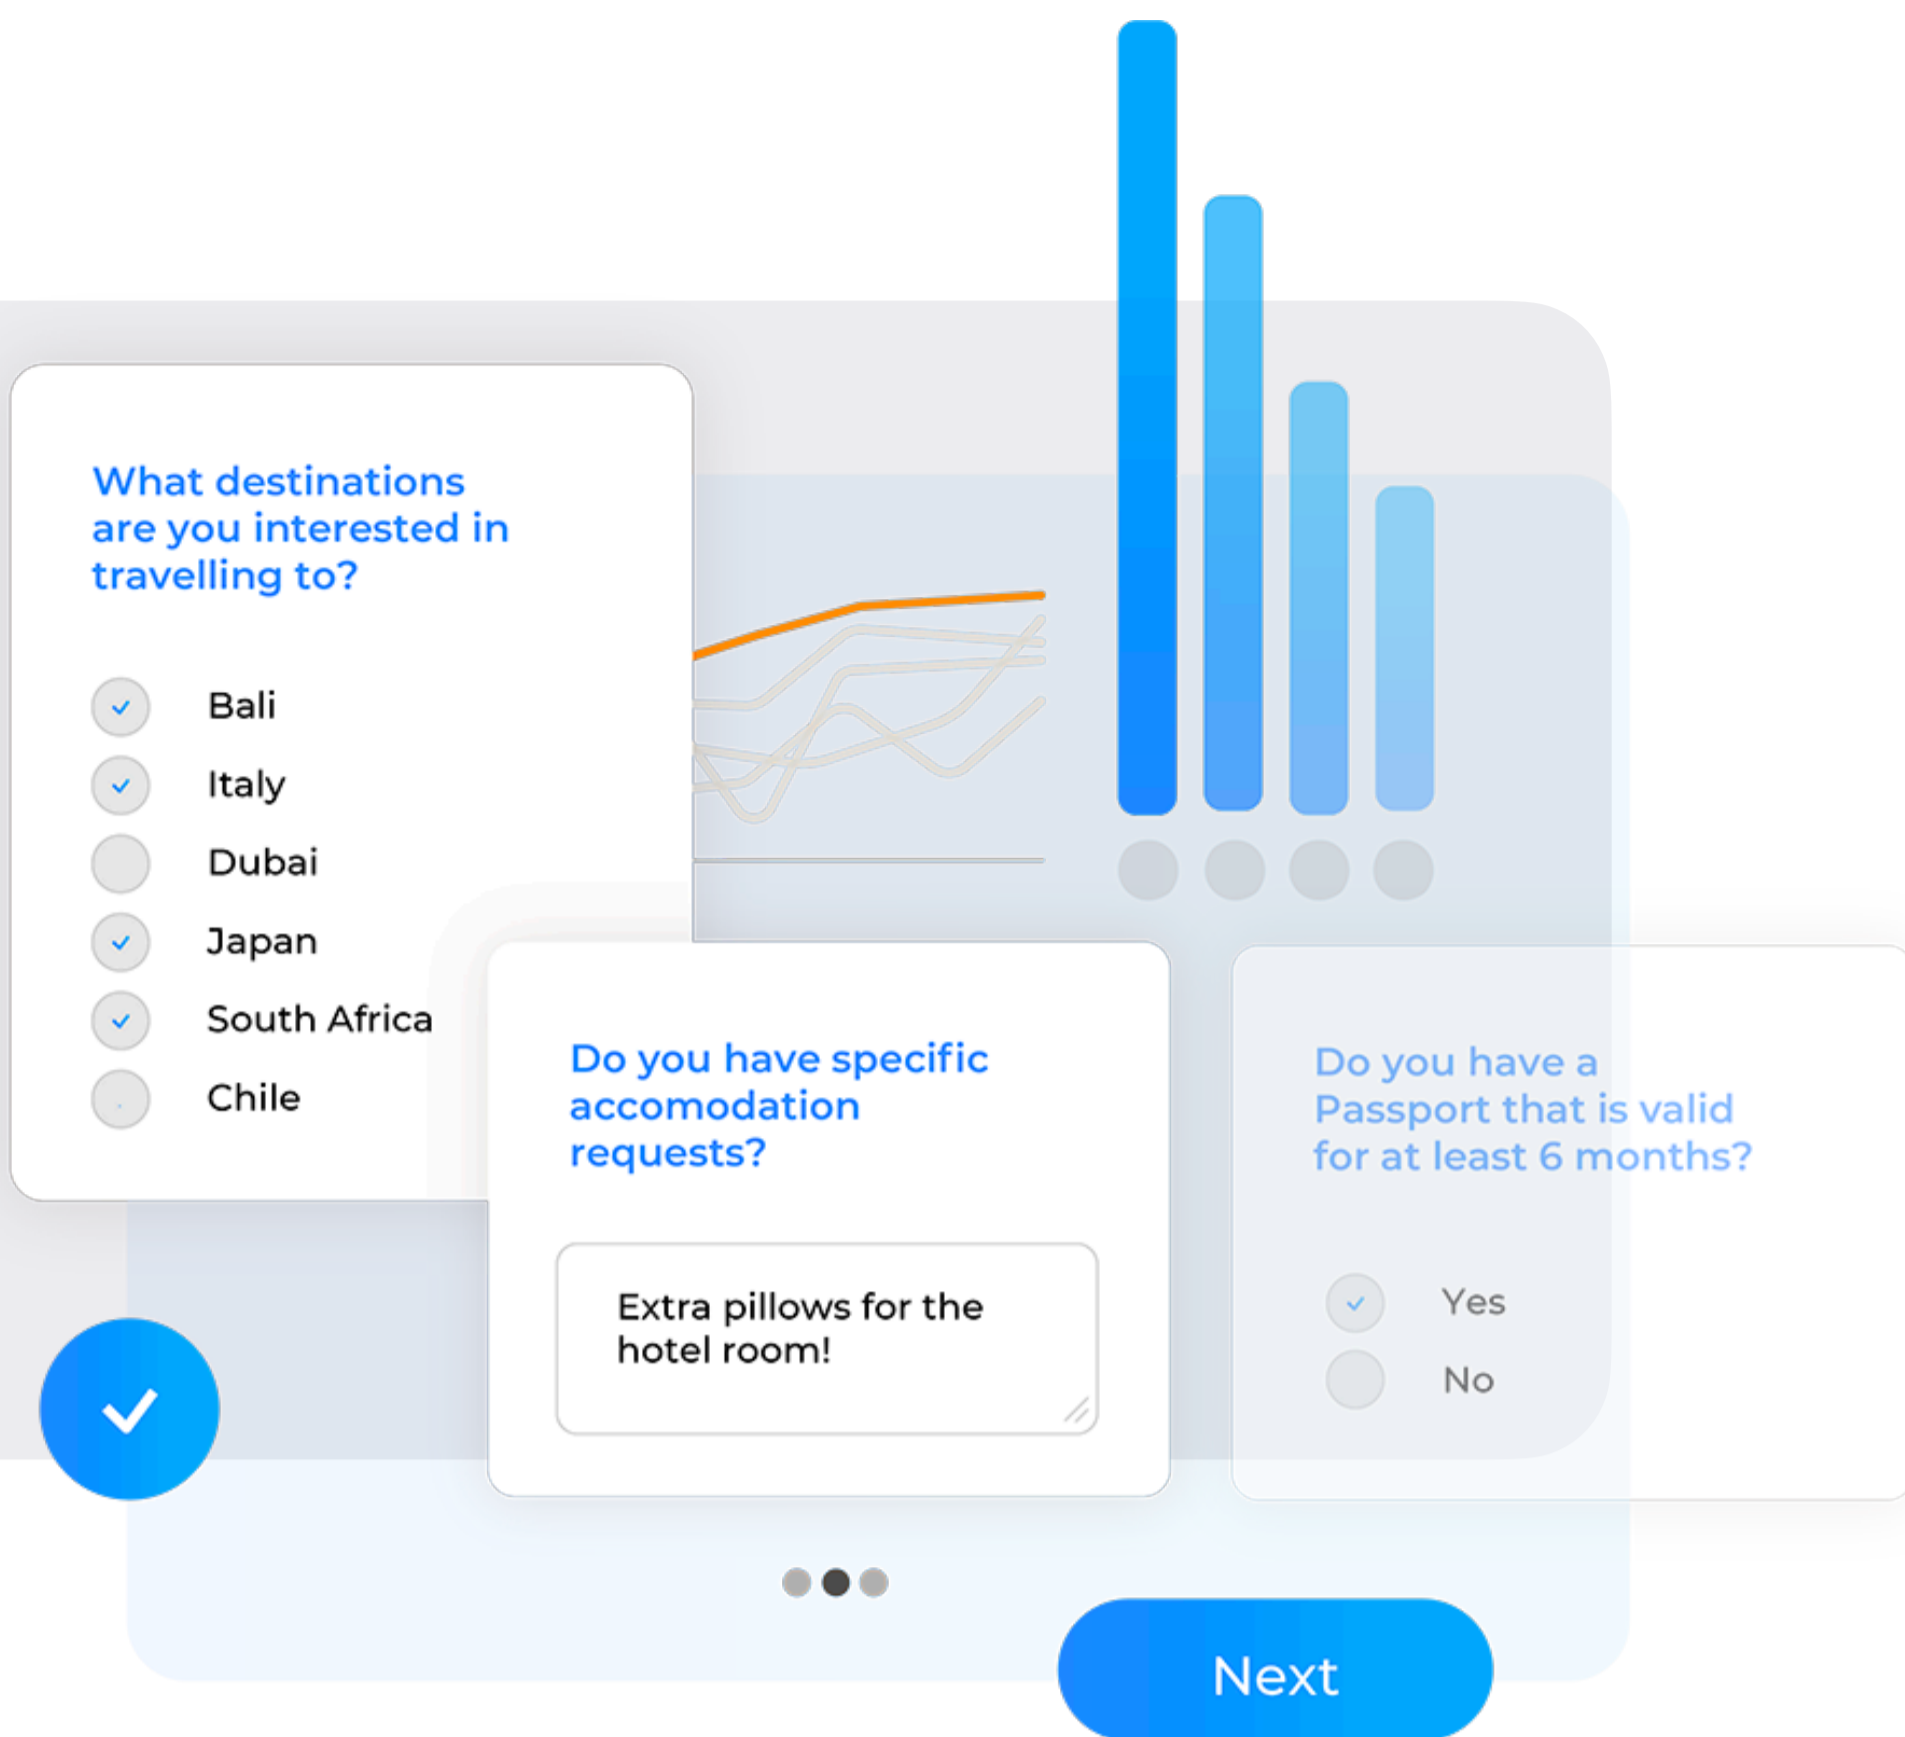

- ✓ Branded website
- ✓ Templated sign-up flow
- ✓ Creator account login
- ✓ Information collection
- ✓ Account authentication
- ✓ Survey questionnaires

Leverage Custom Questionnaires

Determine creators' preferences or personal details for your specific goals

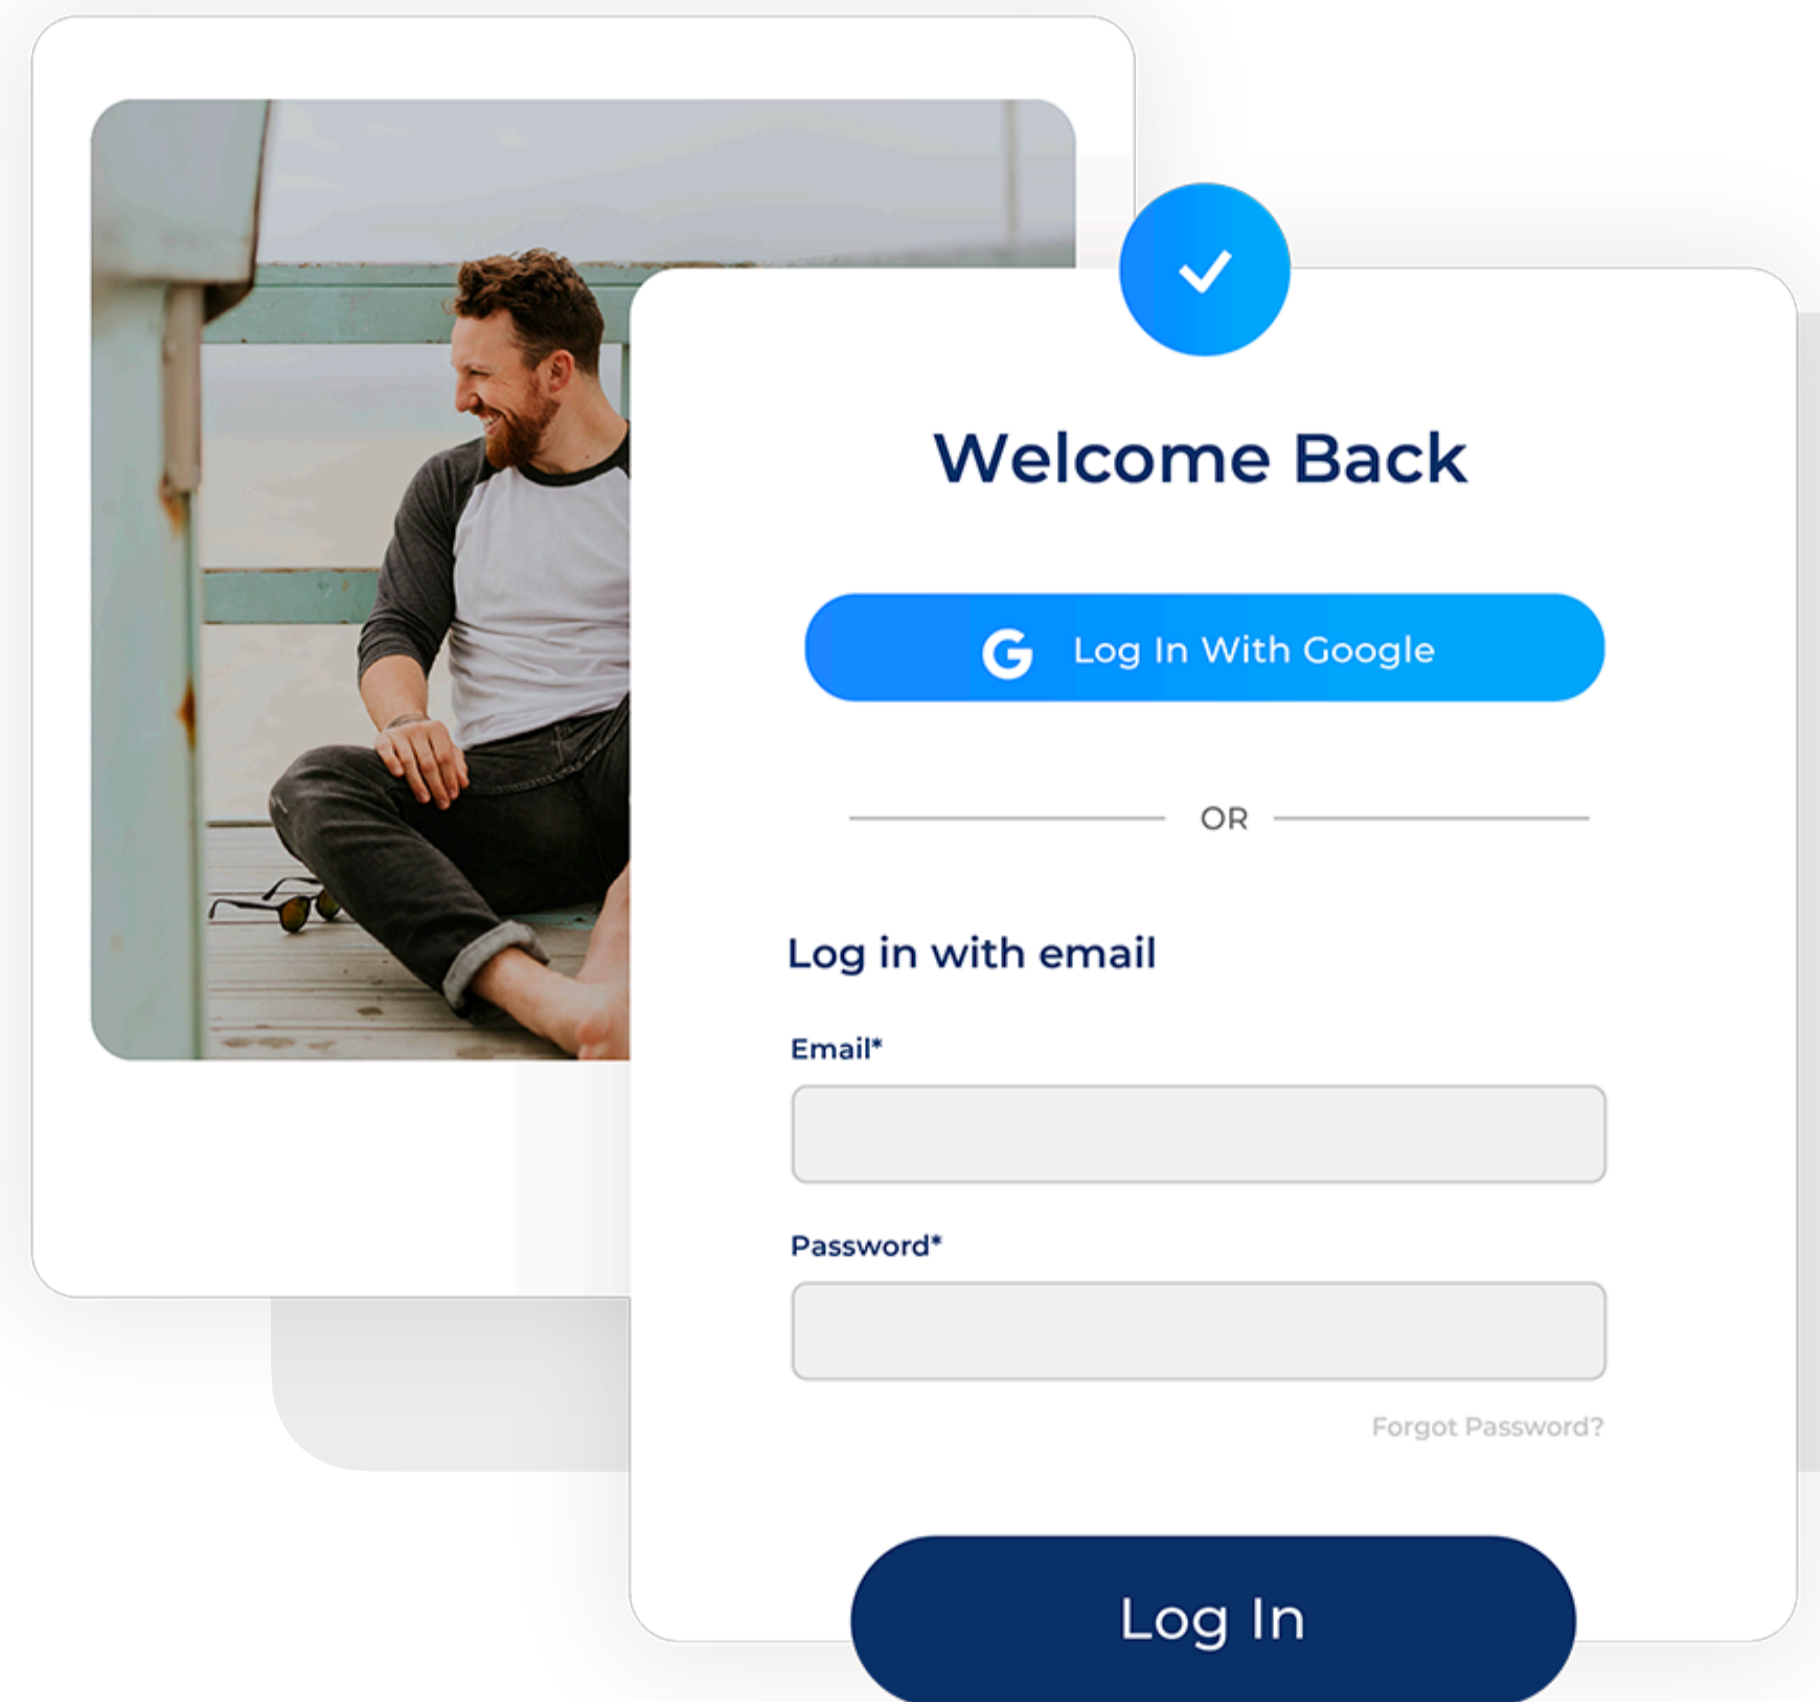

- Collect more than just the basics to aid in creator selection and campaign preparation.
- Use survey questions to gather custom or categorical info such as address, shoe size, or favorite products

Efficiently Scale Your Program

A fully configurable website helps scale programs and streamline onboarding

- Gather all the info you need from creators in a single, intuitive destination
- Centralize your onboarding process to save time and resources

A better way to build your creator network
